**SYNOPSIS:**

A resolution opposing the use of tolling as a mechanism for funding the construction or corridor preservation along the Mountain View Corridor.

**BACKGROUND:**

UDOT is planning to construct the Mountain View Corridor which would pass through the City and be of use to the residents of the City. The City recognizes the need for the highway and supports its construction to manage traffic and support economic development. UDOT has indicated there is a possibility of using tolling as a way of paying for the construction of the Mountain View Corridor. The City Council desires to express its opposition to the use of tolling as a funding mechanism for this highway.
